

## Flyers Recreational Classes

Our recreational classes are designed for the students who want to learn the basics of cheerleading without being on a recreational or competition squad. In our 1.5 hour Flyers classes, students will work on jumps, stunts, tumbling, cheers, and learn a dance that they will perform during our winter and summer Mini Olympics.

Our monthly tuition for these classes is just \$25.00 per month, making it affordable for all cheerleaders to get in the game!

Recreational class cheerleaders may (but are not required to) purchase the recreational cheerleading uniform (includes cheer polo, cheer skirt, poms, socks, and shoes for approximately \$50.00) to wear during the Mini Olympics. They also will have opportunities to order t-shirts and shorts if they wish.

We hope this helps you in your decision to be a FLYER! We are looking forward to seeing you join us in one of our programs!
