

## **Super Flyers (Special Needs Squad)**

The **Super Flyers** are a group of young people who won't let anything stand in their way! Special needs students are welcomed and encouraged through a great sport. As part of the Flyers team, they will enjoy camaraderie with other special needs students as well as our traditional cheerleading squad!

Practices will be held once per week and will be approximately 1.5 hours long (day and time TBD).

Cost of uniforms will be determined after first parent's meeting.
